SEABORN PERFORMANCE

A true luxury/sport mega RIB

OMEGA
41

The OMEGA 41 speedboat is the new benchmark in high performance offshore luxury RIBs offering a level of style and power never seen before in her class.

OMEGA 41, 45 footer powerboat all new design, provides a fantastic opportunity to create a true offshore performance RIB.

The OMEGA 41 hull design allows high speed, excellent handling under harsh weather conditions, dry & safe riding, establishing herself as a true offshore power RIB.

The OMEGA 41 deck is designed by Alexandros Liaskovitis, Architect based in Milan (Italy), specialized in architectural and Interior Design of High-End Luxury environments and products. His design was made around a stepped hull designed by Adam Younger, known for his famous British powerboat designs.
